Sir,

With reference to your letter No. L 2311/ 1 111-43-E0 dated 31st August last on the above subject, I have the honour to state that it was reported by the President, Urban Council, Chintamani on 1/10/1943 that the petitioner was not agreeable to the proposal of Sri, the Urban Council, Chintamani as regards the payment, finally, of Rs. 1,000 in lieu of the land, and that a notice to the effect was issued to the petitioner to show cause why the proposal of the Council in favour of the acquisition of the said land should not be dropped on the ground that the petitioner is not agreeable to the proposal.

the new extension or to receive a cash compensation of Rs. 500/- The compensation offered to him is very low and he expects for the grant of at least a sum of Rs. 1,000/- as compensation. It is a very old case

In these circumstances, as the petitioner has failed to accept the compensation proposed to be granted to him, it seems necessary to institute formal acquisition proceedings and to settle its claim finally, the cost of acquisition being met out of Municipal funds. A sum of Rs. 500/- has already been deposited by the Municipal Council for this purpose. The connected records and the petition of Ramakrishnan received from you are enclosed in the records sent herewith.
